With 10 animals in his pedigree over 80", unique color, and a relaxed disposition, Tiger King is at the top of our list of up and coming herd sires. Apart from outweighing all bulls in his class, he shows excellent horn growth, horn direction, and his confirmation is reminiscent of his sire Jeremiah's 29:11. We are hoping he adds to our herd body size and twist that is so present in the top and bottom sides of his pedigree.
